Data Sharing Opt-Out Form

Before completing this form please read our leaflet on Data Sharing which explains the different ways that your medical information can be used to improve your care and to provide important information-gathering for the NHS.

Once complete, please hand this form to Reception.

Name Date of Birth

Address

.....

SystemOne Clinical Records System

I do not wish for my clinical records to be shared via the SystemOne computer system with other services directly involved in my care, such as Community Doctors and Nurses

Healthcare Records

I do not wish to have a Summary Care Record

I do not wish to have a Hampshire Healthcare Record (CHIE)

Healthcare records allow NHS Healthcare staff from outside the Practice to be aware of your current medications, any allergies or reactions to previous medications etc.

GDPR and National opt out

I do not want any of my data to be extracted by NHS Digital (Type 1 Opt-out)

If you wish to exercise your right to be included in the National Data Opt-out:
